**\*Flat Stainless steel service memorials** have been designed for flat or lawn markers and are mountable with the permanent mounting backing and/or the 2 mounting pins. Please check with monument company or cemetery for proper installation and their requirements for this type of service memorial before ordering.

Ceramic and Stainless Steel Service Memorials come with UV coating anti-fading protection guarantee. Please allow 4-6 wks (from time order is received) for processing/shipping. Shipped by Courier Registered, signature required to receive order.

Please note that due to the different printing and manufacturing process of the Ceramic/Stainless Steel Service Memorial and the Honor Service Portrait there is a difference in exact colour matching. Both are of excellent quality and will be as close as possible to colour matching. Every effort will be made to secure and return your photographs however, in the unlikely event that there is either damage to or loss of the supplied photograph, V.I.P. Photo Memorials liability will be limited to the cost of a replacement print from a supplied negative.
